

CALL for PAPERS

MINING ENGINEERS' SYMPOSIUM

8:00AM June 15, 2018

Philippine Gateway Hotel, Surigao City

The Mining Engineers' Symposium organized by the Philippine Society of Mining Engineers (PSEM) is now accepting abstracts for evaluation and possible acceptance. The symposium brings together experts and resource persons to stimulate meaningful discussion of best industry practices, technological advancement, professional upgrade and government policies for sustainable development.

It provides the important stage for active discussion on policy, energy development, construction, professional growth and welfare, legal, occupational health and safety, environment, social, economic, academe and technical strategies that aim to facilitate harmonious co-existence of our profession to all stakeholders.

- ✓ All Papers Abstracts should be limited to 400 words.
(Aerial font, size 12, doubled spaced);
- ✓ Deadline for submission is on Saturday, **April 28, 2018;**
- ✓ All paper abstract should be emailed to:
minecon2018technicalpapers@gmail.com with the Title: Abstract for 5th MinECon Symposium
- ✓ Abstracts/papers endorsing brands, company names, labels, etc. that advertise products and services are classified as "COMMERCIAL PAPERS" and will be charged presentation fees, accordingly.
