LIST OF GENERATION COMPANIES ISSUED WITH SEC ENDORSEMENTS
(1st Indorsement by the Securities and Exchange Commission)
as of 19 NOVEMBER 2019

NAME of COMPANY		DATE ISSUED
2019		
421	PRESAGE CORPORATION (Beyond Jurisdiction)	Please be informed that the primary purposes cited are not within the Department of Energy's jurisdiction which covers business purpose i.e. engaging in electric power generation, transmission, distribution and supply, and monitoring of plant performance.
422	MALVAR ENERZONE CORPORATION (AMENDMENT)	That the authorized capital stock of the corporation is One Hundred Ten Million Five Hundred Thousand Pesos (P110,500,000.00) in lawful money of the Philippines, divided into Eleven Million Fifty Thousand (11,050,000) common shares with par of One Peso (PhP 1.00) per share and Ninety Nine Million Four Hundred Fifty Thousand (99,450,000) redeemable preferred shares, with par value of One Peso (PhP 1.00) per share. The common shares can be converted into Redeemable Preferred Shares at anytime and subject to the terms as will be determined by the Board of Directors, provided that there shall be a class or series of shares which shall have complete voting rights. The conversion shall be subject to the approval of the Securities and Exchange Commission. Redeemable Preferred Shares shall be non-voting, non-cumulative, participating as to dividends with the same rights as common shares, re-issuable, and redeemable at the option of the Corporation and upon such terms as may be determined by the Board of Directors of the Corporation. Holders of Redeemable Preferred Shares shall be entitled to receive dividends as the Board of Directors, by resolution, may determine. In case of liquidation or dissolution of the Corporation, whether voluntary or involuntary, the holders of Redeemable Preferred Shares shall be entitled to be paid in full the par value and additional paid-in capital, if any, of their shares before any amount shall be paid to the holders of the common shares. Thereafter, the remaining assets and funds of the Corporation shall be divided pro-rata among the holders of both classes of Shares. The Board of Directors is hereby expressly authorized to fix from time to time before issuance thereof the terms and conditions for redemption and all designations, relative rights, preferences and limitations of Redeemable Preferred Shares, subject to the provisions of this Article.
423	NORTHERN PALAWAN POWER GENERATION CORPORATION (AMENDMENT)	To invest in, build, construct, erect, equip, install, operate, maintain, develop, manage, sell and lease power generation plants, facilities, machineries, equipment and other related assets, and in general to engage in the business of power generation as well as in the marketing, trading, selling and supplying of electricity, excluding retail customers and end-users, generated by its generating facilities, and to engage in all other businesses incidental to the foregoing, including but not limited to the sale of the by-products thereof, and to enter into all kinds of contracts for the accomplishment of the aforementioned purpose.

511	ENERGREEN POWER INTER-ISLAND CORP.	SEVENTH: That the authorized capital stocks FIVE HUNDRED MILLION (500,000,000.00) in Philippine Currency. Of the said authorized capital stock, ONE HUNDRED THOUSAND (P100,000,000.00) PESOS shall be common shares, divided into ONE MILLION (1,000,000) shares with a par value of TEN CENTAVOS (P0.10) per share and FOUR HUNDRED NINETY-NINE MILLION NINE HUNDRED THOUSAND PESOS (P499,900,000.00) shall be common shares, divided into THREE HUNDRED FORTY-NINE THOUSAND NINE HUNDRED (349,900) shares with a par value of ONE THOUSAND PESOS (P1,000.00) per share; and ONE HUNDRED FIFTY MILLION PESOS (P150,000,000.00) shall be Preferred Shares divided into ONE HUNDRED FIFTY THOUSAND (150,000) shares with a par value of ONE THOUSAND PESOS (P1,000.00) per share. The Preferred Stock shall be issued subject to following conditions: A. The holders of the Preferred Stock shall be entitled to receive dividends at the rate of two percent (2%) per annum, or as determined by the Board of Directors, on the face value thereof, in Philippine currency, for each share, such dividends to be payable out of the surplus profits of the Corporation so long as said Preferred Stock is outstanding. B. Dividends on the said Preferred Stock shall be payable quarterly or semi-annually, as the Board of Directors may from time to time determine. Said dividends shall be preferential and cumulative, whether or not in any period the amount thereof is covered by earnings or profits of the corporation. All the dividends paid on the Preferred Stock shall be paid in chronological order with reference to the due dates for each quarter or semi-annual installment and shall accrue and be cumulative from the date of issuance thereof. In case any installment of said dividend is not paid on the dividend payment date of such installment, then the amount of such installment shall subsequently be paid before any dividend shall thereafter be paid to the holders of Common Stock. Subject only to the foregoing limitation, dividends in cash, or in stock, or otherwise may be paid from time to time to the holders of the Common Stock, from the surplus profits of the Corporation in such amounts and when and as declared, and the holders of Preferred Stock shall not be entitled to participate in any such dividends paid to the holders of Common Stock. Accumulations of dividends on the Preferred Stock shall not bear interest. The holders of Preferred Stock shall be entitled to no other dividends than as stated above. C. In the event of liquidation, dissolution, receivership, bankruptcy, or winding up of the affairs of the Corporation, voluntarily or involuntarily, except in connection with a merger or consolidation, the holders of Preferred Stock shall be entitled to be paid in full, or ratably, in so far as the assets of the Corporation will permit, P1,020.00, in Philippine currency, for each share of Preferred Stock held, together with the accrued and unpaid dividends thereon, in Philippine currency, to date of distribution, before any distribution shall be made to the holders of the Common Stock, and shall be entitled to no other distribution. D. The Preferred Stock shall be convertible into any other shares or securities of the Corporation. E. The Corporation may redeem the whole or any part of the Preferred Stock then outstanding upon paying in cash to the holder of such Preferred Stock redeemed at P10,020.00 a share, together with all accrued and unpaid dividends thereon, in Philippine currency. In all cases of redemption under this paragraph: 1) Notice of redemption shall be sent by registered mail to holders of the Preferred Stock to be redeemed to his, her, or its address as the same appears on the books of the Corporation, within such reasonable time as the Board of Directors may determine and fix; 2) The payment of the redemption price of the shares redeemed shall be made at the office of the corporation in the Philippines, and at such other place or places, if any, as shall be specified in the notice of such redemption and shall be made upon the surrender of the corresponding certificate of shares redeemed. From and after the date fixed in any such notice as the date of redemption, unless the Corporation shall fail in the payment of the redemption price, dividends on the preferred Stock redeemed shall cease to accrue and all rights with respect to said shares of the holders thereof, except the right to receive the redemption price thereof, shall terminate; 3) In case of redemption of less than all shares of Preferred Stock at the time outstanding, the shares of the Preferred Stock to be redeemed shall be selected by the Corporation by lot or in such other equitable manner as the Board of Directors of the Corporation shall determine.	22-Aug-19

	NAME OF COMPANY		DATE ISSUED
545	ENERGREEN POWER INTER-ISLAND CORP. (AMENDMENT)	<p>SEVENTH: That the authorized capital stock is FIVE HUNDRED MILLION (P500,000,000.00) in Philippine Currency. Of the said authorized capital stock, ONE HUNDRED THIRTY-SEVEN (P100,000,000.00) PESOS shall be common shares, divided into ONE MILLION (1,000,000) shares with a par value of TEN CENTAVOS (P0.10) per share and FOUR HUNDRED NINETY-NINE MILLION NINE HUNDRED THOUSAND PESOS (P499,900,000.00) shall be common shares, divided into THREE HUNDRED FORTY-NINE THOUSAND NINE HUNDRED (349,900) shares with a par value of ONE THOUSAND PESOS (P1,000.00) per share; and ONE HUNDRED FIFTY MILLION PESOS (P150,000,000.00) shall be Preferred Shares divided into ONE HUNDRED FIFTY THOUSAND (150,000) shares with a par value of ONE THOUSAND PESOS (P1,000.00) per share.</p> <p>The Preferred Stock shall be issued subject to following conditions:</p> <p>A. The holders of the Preferred Stock shall be entitled to receive dividends at the rate of two percent (2%) per annum, or as determined by the Board of Directors, on the face value thereof, in Philippine currency, for each share, such dividends to be payable out of the surplus profits of the Corporation so long as said Preferred Stock is outstanding.</p> <p>B. Dividends on the said Preferred Stock shall be payable quarterly or semi-annually, as the Board of Directors may from time to time determine. Said dividends shall be preferential and cumulative, whether or not in any period the amount thereof is covered by earnings or profits of the corporation. All the dividends paid on the Preferred Stock shall be paid in chronological order with reference to the due dates for each quarter or semi-annual installment and shall accrue and be cumulative from the date of issuance thereof. In case any installment of said dividend is not paid on the dividend payment date of such installment, then the amount of such installment shall subsequently be paid before any dividend shall thereafter be paid to the holders of Common Stock. Subject only to the foregoing limitation, dividends in cash, or in stock, or otherwise may be paid from time to time to the holders of the Common Stock, from the surplus profits of the Corporation in such amounts and when and as declared, and the holders of Preferred Stock shall not be entitled to participate in any such dividends paid to the holders of Common Stock. Accumulations of dividends on the Preferred Stock shall not bear interest. The holders of Preferred Stock shall be entitled to no other dividends than as stated above.</p> <p>C. In the event of liquidation, dissolution, receivership, bankruptcy, or winding up of the affairs of the Corporation, voluntarily or involuntarily, except in connection with a merger or consolidation, the holders of Preferred Stock shall be entitled to be paid in full, or ratably, in so far as the assets of the Corporation will permit, P1,020.00, in Philippine currency, for each share of Preferred Stock held, together with the accrued and unpaid dividends thereon, in Philippine currency, to date of distribution, before any distribution shall be made to the holders of the Common Stock, and shall be entitled to no other distribution.</p> <p>D. The Preferred Stock shall be convertible into any other shares or securities of the Corporation.</p> <p>E. The Corporation may redeem the whole or any part of the Preferred Stock then outstanding upon paying in cash to the holder of such Preferred Stock redeemed at P10,020.00 a share, together with all accrued and unpaid dividends thereon, in Philippine currency.</p> <p>In all cases of redemption under this paragraph:</p> <p>1) Notice of redemption shall be sent by registered mail to holders of the Preferred Stock to be redeemed to his, her, or its address as the same appears on the books of the Corporation, within such reasonable time as the Board of Directors may determine and fix;</p> <p>2) The payment of the redemption price of the shares redeemed shall be made at the office of the corporation in the Philippines, and at such other place or places, if any, as shall be specified in the notice of such redemption and shall be made upon the surrender of the corresponding certificate of shares redeemed. From and after the date fixed in any such notice as the date of redemption, unless the Corporation shall fail in the payment of the redemption price, dividends on the preferred Stock redeemed shall cease to accrue and all rights with respect to said shares of the holders thereof, except the right to receive the redemption price thereof, shall terminate;</p> <p>3) In case of redemption of less than all shares of Preferred Stock at the time outstanding, the shares of the Preferred Stock to be redeemed shall be selected by the Corporation by lot or in such other equitable manner as the Board of Directors of the Corporation shall determine.</p>	5-Nov-19

	NAME OF COMPANY		DATE ISSUED
554	GIGA ACE 4, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19
555	GIGA ACE 5, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19
556	GIGA ACE 6, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19
557	GIGA ACE 7, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19
558	GIGA ACE 8, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19
559	GIGA ACE 9, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19
560	GIGA ACE 10, INC.	To carry on the general business of generating, marketing, selling and supplying energy derived from coal, natural gas, fuel, diesel, gas turbine, steam power plant, fossil fuel, renewable energy sources (including but not limited to hydro, wind, solar, biomass, geothermal, or ocean/tidal), and other viable sources of power; to develop, construct, install, build, commission, operate, own, maintain, rehabilitate, operate, manage, lease and transfer power generating plants and related facilities, for both renewable and non-renewable energy sources, and other generating plants of any type and technology and related facilities; to engage in the business of a retail electricity supplier and energy consolidator or aggregator including sourcing, selling, brokering, marketing and aggregating of electricity to the end-user; and to provide related services such as those necessary or appropriate in connection with the foregoing, to such an extent and in such manner as may be permitted by applicable law and provided that it shall not operate as a public utility. Provided that the corporation shall not solicit, accept or take investments/placements from the public neither shall it issue investment contracts.	7-Nov-19

LIST OF GENERATION COMPANIES ISSUED WITH SEC ENDORSEMENTS
(1st Indorsement by the Securities and Exchange Commission)
as of 19 NOVEMBER 2019

	NAME of COMPANY		DATE ISSUED
		B. POWER SUPPLY AND DISTRIBUTION	
561	EAGLE ENERGY, INC.	To design, construct, erect, assemble, commission, manage, and operate gas turbine and other power-generating plants and related facilities for the conversion into electricity of coal and other fuels and engage in the development, supply, consolidation and distribution of energy and power for the internal requirements of the Corporation;	12-Nov-19
562	ASCEND POWER RESOURCES INC.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
563	CONVERGE POWER GENERATION CORP.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
564	ENERGYCORE RESOURCES INC.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
565	EXCELLENT ENERGY RESOURCES, INC.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
566	PRESTIGE POWER RESOURCES INC.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
567	RELIANCE ENERGY DEVELOPMENT INC.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
568	STRATEGIC ENERGY DEVELOPMENT INC.	To carry on the business of producing, generating and storing electricity and processing fuel alternatives for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, storage of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation, and management of power generating plants, substations, energy storage systems and related facilities and equipment, to engage in the promotion, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation, purchase, import, lease or otherwise acquire equipment, materials, tools, spare parts, fuel, lubricants, chemicals, consumables and such other requirements necessary, incidental and/or incremental for the construction, operation and maintenance of the power generating and power storage facilities of the Corporation or any of its components.	13-Nov-19
570	BASILANRRG CORP.	To engage in the sale of power-related equipment, materials, supplies, implements and accessories; to engage in the business of procuring and selling to distribution utilities electric energy; to engage in the business of putting up and operating a power generation plant as an Independent Power Producer or in any other endeavor related to its principal business.	13-Nov-19
569	LUMIERE ENERGY TECHNOLOGIES INC. (AMENDMENT)	FIRST-The name of said corporation shall be: LUMIERE ENERGY TECHNOLOGIES INC. (formerly, Limay Premiere Power Corp.)	13-Nov-19
