PROCLAMATION NO. 920

DECLARING A STATE OF CALAMITY IN REGION VIII (EASTERN VISAYAS)

WHEREAS, the San Juanico Bridge, a 2.16-kilometer bridge which serves as the only permanent land link between the islands of Samar and Leyte, is a vital component of the Pan-Philippine Highway (Maharlika Highway/AH26), which connects Luzon, Visayas, and Mindanao;

WHEREAS, the Department of Public Works and Highways (DPWH) conducted an assessment of the San Juanico Bridge and determined the same to be in critical condition due to significant structural compromises to the bridge, prompting the enforcement of a strict three (3)-ton vehicle load limit effective 15 May 2025;

WHEREAS, the traffic controls currently in effect in San Juanico Bridge to prevent overloads and mitigate risks halted the passage of heavy cargo vehicles, thereby severely disrupting the transport of food, medicine, agricultural products, construction materials, and other essential commodities across Eastern Visayas;

WHEREAS, there is an urgent need to repair and rehabilitate the San Juanico Bridge to ensure timely delivery of essential goods and services and restore regional mobility;

WHEREAS, in accordance with Section 16, in relation to Section 6(c), both of Republic Act (RA) No. 10121 or the "Philippine Disaster Risk Reduction and Management Act of 2010," the National Disaster Risk Reduction and Management Council (NDRRMC), through Resolution No. 1 (s. 2025), has recommended the declaration of State of Calamity in Region VIII (Eastern Visayas) on account of the escalating risks caused by the significant structural compromises in San Juanico Bridge;
